President Dennis Alvestad is pleased to present the Foundation's 2017 Annual Report

2017 was a year to celebrate Canada's 150th birthday, as well as our 13th year as a Community Foundation, serving the Kenora & Lake of the Woods region. Since 2004, our goal of improving community living and the quality of life in our region has never changed. The Board, staff, volunteers and community partners continue to work to make this happen. Connecting with people, from all backgrounds and interests, including donors, volunteers and grant recipients, make our lives richer and our communities stronger.

On behalf of the Board of Directors and staff, I confirm our commitment to grow and strengthen our Community Foundation. Thank you to all the donors, sponsors, volunteers, grant recipients, friends and families, who work together to make our community strong and healthy. Your commitment to our communities in this special place we call Lake of the Woods is appreciated. We could not make the difference that we do ... without you.

YOUR COMMUNITY MAKES YOU AND YOU MAKE YOUR COMMUNITY

The 10K/10HR Annual Giving Challenge on Friday, May 26 in support of raising money for the KLWCF endowment funds. Our 2017 event netted over \$50,000.

MISSION STATEMENT

Our Community Foundation is dedicated to helping improve community living and the quality of life for citizens and visitors to Kenora and Lake of the Woods Region.

MANDATE

The Community Foundation aims to strengthen the communities we serve by continuously striving towards three key objectives.

- Providing endowment building and personalized donor services
- Promoting broad and effective grant making
- Offering community leadership

IMPACT

Our Community Foundation is creating a lasting legacy for our region. The permanent endowment funds will be used to fund grants to a wide range of community groups. Grants are awarded to local charities in the following fields: Arts and Culture, Health and Wellness, Social Services, Animal Welfare, and Environment and the Community at Large.

SCOPE

We are one of 191 Community Foundations across Canada with combined assets of \$5.2 billion. Ninety (90%) percent of Canadian communities have access to a community foundation. Collectively Community Foundations have combined assets of more than \$5.2 billion and hundreds of millions back into communities over our 97-year history.

During our 10 Hour Giving Challenge, The Bissionnette Family donated the proceeds from 5-year old Leah's birthday party to the Community Foundation

Jamie Bruce, of Vancouver,BC and winner of the Q104 summer draw, gifted his prize of a 2017 Polaris RZR to the Community Foundation.

The 2017 Annual report is generously sponsored by Hook, Seller & Lundin LLP.

OUR 2017 DONOR LIST

The Community Foundation thanks all of our donors for contributing to the future of the Kenora and Lake of the Woods Region. Proceeds from the Festival of Trees Charity Fundraiser are used to support our operating expenses. All other gifts, with a few limited exceptions, are placed in our permanent endowment funds. Donations are invested as capital and the investment growth is distributed to registered charities annually in line with the donor's wishes.

The Community Foundation celebrated its 14th Annual Festival of Trees Charity Fundraiser for the second year at Seven Generations Education Institute. This event netted over \$28,000 for the operations of the Community Foundation. 800 + guests enjoyed the weekend event, which included the Gala Evening, Community Day and Senior's Tea. The beautifully decorated trees were auctioned off and many were donated back to the community to various non-profit groups. Guests enjoyed musical entertainment, photos with Santa, a special feature of "Cat the Dog" and delicious treats. Thank you to all of our sponsors, decorator teams, auction item purchasers, guests and volunteers for their help in making another successful event.
